Leading Innovation >>>

**Vantage Elan™**  
Premium 1.5T MRI System

**“Why should  
budget limit  
patient care?”**

**Toshiba gives you a voice. What's yours?**

# Vantage Elan™ MRI: The features you want— with reliability you can afford.

## INCREASING THROUGHPUT, EASE OF USE, AND ULTIMATELY, QUALITY PATIENT CARE.

If your needs require a small-space MR imaging system that delivers day after day without compromise—reliability matters most. Vantage Elan offers performance that's best in class.

### FEATURES

-  **COMPACT FOOTPRINT**  
The Vantage Elan magnet and couch fit in a footprint of 23 square meters\*
-  **NON-CONTRAST IMAGING**  
MR system with a complete suite of contrast-free MRA techniques
-  **EASY INSTALLATION**  
Six days from delivery to scanning
-  **COST EFFICIENT**  
Budget friendly and low cost of ownership
-  **ECO-FRIENDLY**  
Reduced energy consumption

### BENEFITS

-  **MAXIMUM EFFICIENCY**  
M-Power™ maximizes operator efficiency with streamlined workflow
-  **QUIETER SCANS**  
Enhanced comfort and patient satisfaction from Pianissimo™ noise-reduction technology
-  **QUALITY IMAGING**  
Detailed diagnostic imaging
-  **ACCOMMODATE MORE**  
63 cm wide accommodates a variety of patient sizes
-  **IMPROVED PATIENT LINE OF SIGHT**  
Short bore decreases patient claustrophobia

## QUALITY CARE FOR YOUR PATIENTS.

Comfort is important, and with Pianissimo noise-reduction technology, scans are quieter and more efficient. Non-contrast imaging reduces the need for injections during the exam. The shorter bore of Vantage Elan helps to reduce claustrophobia in patients, while the 63 cm size accommodates a wide variety of patients.

“ Our small-space requirements shouldn't prevent us from getting a comprehensive and reliable system we can afford. ”

## QUALITY THAT FITS YOUR BUDGET.

Vantage Elan is budget friendly and has a low cost of ownership—including low maintenance, energy consumption, and high efficiency, allowing quality MR imaging at your price point.

\*This footprint meets US ADA and NEC guidelines. The minimum footprint may not be applied to some cases depending on each site situation.

# Maximum output. Minimal footprint.

The Vantage Elan magnet and couch fit in a footprint of 23 square meters.\* Reliability, ease of use, maximum patient throughput, and patient comfort are all carefully considered and masterfully delivered, time after time.

## Health Care's Triple Aim

With Vantage Elan, Toshiba leads the quest for better health care:

- 1 Improved individual care**  
Pianissimo noise-reduction technology provides a quieter patient experience
- 2 Better health for populations**  
Non-contrast imaging for less invasive, better quality, and faster scans
- 3 Lower total costs of care**  
Eco-friendly mode reduces energy consumption and lowers costs

\*This footprint meets US ADA and NEC guidelines. The minimum footprint may not be applied to some cases depending on each site situation.
